

78 COLLINGWOOD ST JOINT SEALING

LOCATION

78 Collingwood St
Osborne Park, WA

CLIENT

G&S Industries

PROJECT MANAGER

Marc Cugini

DESCRIPTION

78 Collingwood Street is a 2-storey commercial property located in Osborne Park. In early August 2020, BUSS was engaged by G&S Industries to complete remedial works to the concrete panel joints.

The work scope included joint sealing to the concrete panels as required, with the removal and replacement of the down pipes and conduit fixings over the joint.

POINTS OF INTEREST

- Upper level works completed by EWP;
- Works were completed with no disruption to the buildings tenants; and
- Works were successfully completed on schedule and to budget.
